**Here's the message: Deep wounds heal \_\_\_\_\_.**

### **Characteristics of Hurt:**

**D** \_\_\_\_\_ (Job 3:20, 21); **B** \_\_\_\_\_ (Job 6:1-4; 8);

**P** \_\_\_\_\_ (Job 6:14, 15);

**R** \_\_\_\_\_ (Job 12:4); **E** \_\_\_\_\_ (Job 13:3-5).

### **Some things to remember:**

1. It is OK to be \_\_\_\_\_ before God...In fact, He actually \_\_\_\_\_  
\_\_\_\_\_ that way.

2. When you really hurt, \_\_\_\_\_ and \_\_\_\_\_  
don't always help that much over the long run.

*Eliphaz, Job 4; Bildad, Job 8; Zophar, Job 11*

3. Search as you may for other options....when you are heart-broken for a  
prolonged time, there is \_\_\_\_\_ better to turn to than \_\_\_\_\_.

*Job 13:15; Isaiah 40:28-31; John 6:53-69*

4. The priority for the hurting is to focus on what we \_\_\_\_\_ instead  
of what we \_\_\_\_\_.
