We see the Bible as a book of answers – but it is a book of great questions as well!

“Who do _____ say that I am?” (Mark 8:27)

“Who do _____ say that I am?” (Mark 8:29)

“Why are you so _____? Do you still have no _____?” (Mark 5:40)

“...I urge to _____ a life _____ of the _____ you have _____.” (Ephesians 4:1)

“Since _____ will be destroyed in this way, what kind of _____ ought we to be?” (2 Peter 3:11)

The _____ of that person and that story changed _____.

It changed their _____

It changed their _____
