church family update...

The Remodeling continues... Please excuse our mess in the lobby. Most of the new lights are up. Waiting for a couple more lights to come in so in the meantime, it is a little darker on the top lobby level than it will be. Workers are about to redo the ceiling in the lobby soon. Please be careful as you walk around and keep an eye out for the children around the building.

Youth/Worship Minister... Please be praying and spreading the word about our ministry staff opening. Currently, we have no candidates interested in the job. But we trust our Lord has the right person for us out there somewhere. We hope and pray the Lord will lead us to some good candidates as soon as possible. We need your help.

The Parenting Class continues... Mike Wood will be teaching the adult Sunday morning class, on parenting. Everyone is someone's child, and this class will help you think about what it means to parent. It will have implications for parenting and grand-parenting. Please check out this quality class.

Greeters and Welcome Desk... Please help with this important ministry. The sign up sheet is on the welcome desk, there are quite a few available months.
