**CCS Fundraiser:** When you shop at Fred Meyer remember to register your card and choose CCS as the non-profit of your choice. Coeur d'Alene Christian School will earn money for every purchase. The school will receive a check from Fred Meyer quarterly. As long as CCS is chosen for the Non-profit of people's choice, the school will receive a check. Call **Trisha Schultz** or **Dan Dupey** for more information.

**Loveseat or Couch:** As the work continues with the remodel here at the building, we are adding some furniture. We are looking for a small couch or loveseat with light wear that would coordinate with our theme of blue/grey/white. Your donation would be greatly appreciated.

## Prayer Requests and Thanksgivings:

*Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.*

*Romans 5:3-5*

### Prayer Requests:

**Shelia Bucher:** Praying that my house will be restored soon so we can move back home. The furnace and hot water needs replacement.

**Church office:** Please pray for **Jerry Welch**. He will be having back surgery this week.

**Myrtle McIntire:** Please pray for **Jovie Crosby**. She was in a terrible car accident and has a long road to recovery ahead. She is out of the hospital and needs our prayers.

**David Bruner:** Continue to pray for **John & Beverly O'Neal**. **John** is still suffering with an infection in his lung.

**Nathan & Whitney Frisk:** Please pray for **Whitney's** family at the loss of her grandmother. **Nathan & Whitney** are driving back to Oklahoma tomorrow. Please pray for safe travels for them.

**Dan & Teri Dupey:** Continue our prayers in behalf of **Bob Brown** and Larry Grow. And, remember, **Bonnie's** son, **Brian**, still needs our prayers. (Needing a kidney), Remember, **Irene Clark**, **Carole Fredrikson**, **Doran Linder** as he travels back east to pick up his daughter, CCS school parent's needs, as well as **Emily** during this time.

We were recently talking to a senior saint that was a little discouraged. During this time, these feelings can happen easily when you cannot really get out much. We can see in 1 Samuel 30, King David was having a terrible, upsetting day. "And David was greatly distressed .....But, David strengthened himself in the Lord his God" Of course, we know that God's Word can lift us up. We just need to commit to doing it.

The joy of the Lord is, and will be, our strength. Psalm 59:16, Psalm 63:6-9, Psalm 28:7

**Sandra Welch:** Prayers for **Holly & Andy Valentine**. **Andy's** step-mom, who he is very close to, passed away suddenly on Monday. Please pray for safe travels as they head to Iowa to be with the family.

**Anita Poland:** Please pray for **Geraldine Davis**, my son's fiancé, who will have surgery next Friday. Thank you.

**Brittanie De Bias:** Please pray for **Dallas Parker**, a 2-year-old child with a rare type of meningitis. **Dallas** has been suffering with seizures and is in the hospital. Please pray for **Dallas's** parents, **Jeff & April**.

**AJ Stemmene:** Prayers for all the shut-ins and those who abide by social distancing. Pray for those affected by others carelessness. Lord have mercy.

**Shirley Deitz:** Please pray for **Ethel Drapeau**. She fell in her home and was hospitalized. She is deaf and almost blind and can use our prayers.

**Dave Hopkins:** Prayers for my real estate classes. Thankful I passed week 1. Week 2 class this week. Then the state and national test on June 6. Miss the church family. Praying all are safe and well. Until we meet again.

**Wayne Frisbie:** Please pray for my brother-in-law, **Ed Poindexter**. He is having tests for a serious blood disorder. They are still trying to figure out what the problem could be.

**Larry & Jean Grow:** **Larry** reports the latest blood tests show a PSA result of point nine (.9) In November the PSA was 10.8 This means the hormone and radiation treatments are effective and have the prostate cancer in check. Six weeks down and three to go on the radiation. All your prayers are working and truly appreciated.

**Chris & Brenda Harlan:** Please keep **Jim Lundy** in prayer. He will go in for knee surgery on June 1.

**Thanksgivings:**

**Church office:** Thank you to everyone for all the wonderful donations for the food pantry! The families that we serve will be so very blessed.

**AJ Stemmene:**

Father, I decree and declare that I will be anxious for nothing. But in everything by prayer and supplication with thanksgiving. I will make my requests known to You. I arise in faith today knowing that You hear and answer prayer. Because I bring my needs to You, I will walk in the peace of God that surpasses understanding, and it will guard my heart and mind. In stillness and quietness, I will wait for You, and You will lead me in the way I should go. I seal these declarations in the name of Jesus, Amen
