church family update...

Children's Worship... We are continuing children's worship during the sermon today for children who enjoy a Biblical message geared to their age. Please know if you are uncomfortable in sending your children to that activity, we totally respect your decision. However, a number of parents have requested we offer our children's worship again; plus, **Delvona & Howard Rude** are leading this important ministry.

Ladies Retreat... "Save the Date" October 2-4 Accommodations will be at **Savenac Historic Tree Nursery** in Montana. More information to come.

Adult Bible Class, children's classes, teen classes, and So-In-Love Ladies Class... are now scheduled to resume on September 13th.... Unless things get worse before they get better. Right now there are just too many with concerns to resume classes. Thanks.

prayers and thanksgivings...

Dan & Teri Dupey: Please pray for safe travel for **James, Tanya** and family. They are driving back to Arizona this week. Prayers for **Dan**. He is still recovering from a knee injury.

Kurt Roush: Praise God, I start my new job soon.

Andy & Darcy Ponder: Thank you all for praying for **Darcy's** sister, **Dee**. She is healing and will soon be engaged in physical therapy. Praise God.

Misty Stemmene: I just found out that I have diabetes. Please pray that the medication will help and that my new eating habits will as well. God bless you all.

Toby & Lisa Schindelbeck: We would love prayers for healing for **Toby's** sleep and pain. We also ask for prayers for our President, his family and all of the people working together for the good of our country.

Glenn & Judie Sanborn: Thank you all my dear family at Dalton who came out to bless Mother for her 100th birthday. It was perfect!

Tiffany and Sloan Walker: From **Tiffinay**, Please pray for me, I am starting a new job and feeling nervous about it. From **Sloan**, Please pray for the grandma's in nursing homes to stay healthy.

Victoria & Mike Isenhardt: Please pray for **Bonnie Boulton** and her son, **Brian**. He is in desperate need of a kidney. Prayers for **Andy & Darcy Ponder** for the process of selling their home. We appreciate **Andy & Darcy** for serving our Lord Jesus and serving our family. You are both cherished in Christ's love.

Marsha Becker: May God bring us together to be our best Christian selves in these times of turmoil.

Jack & Tabby Cutler: **Tabby's Aunt Helen** passed away June 27. We know where her soul has gone so for that we are at peace. However, for my cousins the world got a little darker when her light went out. Please pray for them, there are a lot of them. God will know who you are praying for, just call them "**The Hopkins**".

Georgette Rude: Thanks be to God for the blessings of the workers and visitors in the garden of prayer.

Marci Nelson: Please pray for **Maverick, Ruby, Samantha** (their mom) and **Stephanie** (their grandma). **Stephanie's** mother (**Margie Lisenbee**) passed away from cancer last Sunday. She was a major caregiver for **Maverick** and **Ruby** since their infancy.

Michael & Carmen Lewis: Praise God. **Terry Beasley** is home and doing well. No cancer. **Treva Beasley** is still waiting for test results. Pray for a good report. And pray for safety as our extended family travels.
