## **prayers and thanksgivings...**

**Carmen and Michael Lewis:** Carmen's youngest sister, **Treva Vogl**, living in Oklahoma, is far more ill than what was first thought with cancer. The cancer has spread, it is aggressive, and the doctors are considering the best treatment. Please pray for **Treva**, her husband **Steve**, and all her children.

**Brad & Kathy Roberts:** I'm having injections in my back soon. Please pray that it will take away my pain. Please pray for our country.

**From the Garden:** Dear Lord, Please forgive me for I have sinned. Jesus loves me. **Sherri Jordan**.

**Andy & Darcy Ponder:** We thank you for all the prayers concerning **Darcy** and I in our decision to move to Western Washington. Continued prayers for us in our ongoing efforts would be appreciated.

**Freda Campbell:** Please pray for my Aunt, **Joy Campbell**. She is 90 years old and has multiple health issues.

**AJ Stemmene:** Extra prayers to keep me on the straight and narrow.

**Shirley Deitz:** A big thank you to the **Campbell** families for the cards and thoughtfulness.

**Church office:** Prayers for **Anita Poland**. She slipped and fell in her garage and hurt her head and leg. She is still in isolation because her daughter has been exposed.

**Betty Rude:** God is so good. New blessings every day. Continue to pray for **Larry & Jean Grow**.

**Larry & Sylvia Slate:** Prayers for our country. Pray for **Tom Chaney** to have a successful surgery and a complete and quick recovery.

**Keith & Carole Fredrikson:** Thank you for your prayers. With God's help we decided, because the surgery is so complicated not to have the surgery for **Carole's** back, at this time.

**Toby & Lisa Schindelbeck:** Please pray for the healing of our sleep and for our birth mom's new baby girl that she is healthy.

**Bonnie Boulton:** **Brian** is home. He had three toes amputated. Please pray!

**Glenn & Judie Sanborn:** I pray that the words of our mouths and thoughts of our hearts will be acceptable to God in everything we do.

**Arrty & Jen Rude:** Please pray for those making decisions about schools reopening this fall...districts, teachers, and parents.

**Marsha Becker:** May empathy be magnified in this nation. I pray for unification of our American people.

**David & Linda Bruner:** Pray for all our church and physical families. Continue to pray for **Bill Henniger**. He is on dialysis and has a foot wound that can not bear any weight.

**Dan & Teri Dupey:** It is a blessing to be healing, injured knees take a while! Pray for unity of our nation. We pray for all the safety of the family.

**Amber Conte:** Pray that all this virus passes so things go back to normal again.

**Misty Stemmene:** Update with me: I am doing much better now that they took me off the meds and just watching what I eat.
