# *church family update...*

**Dale Herboldt** becomes one of our shepherds today.

**Updates...** We are bumping our Bible classes back to October, still waiting until our teachers and students feel a bit more comfortable. We are moving our Mission Sunday to November 1 (Trying to stay flexible:)

**Masks...** Please check in the lobby. We have paper and cloth masks (cotton 3-layers) for anyone who would like one or two!

## *from our elders...*

Several weeks ago the elders paused our search for a youth minister and worship leader. With the COVID outbreak, it just seemed too difficult to bring candidates in from other areas of the country or for our congregation to feel comfortable then about how we could participate in any kind of normal church life. However, an opportunity has unexpectedly presented itself. A young man who is just completing an internship with a congregation in Helena, Montana, has contacted us. He has a passion for youth ministry and loves to sing also.

His name is **Christian Eggar**, and earlier this year he graduated from a Christian college in Nebraska called York College with a Bible ministry degree. The elders have invited him to come over next Saturday, August 29<sup>th</sup>, to conduct a youth devotional in our Prayer Garden at 7pm. All interested youth and parents are invited. Christian will then lead worship for us the next morning, August 30<sup>th</sup>.

We believe we can safely gather with proper precautions to see if Christian is a possibility for us. We ask for your prayers and your participation to the extent you are comfortable providing it. Thanks.

Christian Eggar
