church family update...

Newby Ginnings food drive... We hope to take a van load of food over to **Newby Ginnings** on November 30th. Please bring what you can over the next two Sundays. **We are looking for non-perishable items like: canned vegetables, canned fruit, canned meat, stew is always a high demand item... And of course chili, or other soups.** Also, you may bring holiday oriented things like cranberry sauce, stuffing mixes, cookies, pies, etc. But because of COVID there can be nothing homemade and everything properly packaged and not close to any expiration dates. **Thank you.**

Our Live Stream is rolling now... Looks like we have finally figured out all the nuances to providing a picture and quality sound live stream in the adult Bible Class and worship gathering. This is simultaneously on our congregational Facebook page and our church website at: *dgchurch.org*. Thanks to all who worked on this, and thanks for the congregation's patience.

Please let us know if anyone has any needs... We are here help, but also to be extra careful during the pandemic.
