church family update...

Newby Ginnings food drive... Thanks to our church family for being so generous with bringing items for Newby Ginnings. We will be taking the van full of our donations tomorrow morning over to Post Falls. If you have any last minute items you wanted to bring you can still drop them off this afternoon at the building or bring them first thing in the morning. We plan to leave around 10am.

Our Live Stream is rolling now... Ok we have had some set backs... But thanks to **Rod Bristol, Steve Taylor, Mike Swaim, Jack and Isaac Cutler** and **Christian** things look and sound good. Thanks guys.

Next week we begin a coat drive... We want to increase the ways we can serve the families in need. We need new or gently worn coats (the gently used ones need to be clean or laundered before donating them.) We can use all sizes, infant through seniors. Hats and gloves are great also.

Please let us know if anyone has any needs... We are here help, but also trying to be extra careful during the pandemic. I can't tell you how important it is to stay connected during this strange time and it requires both the effort of those coming to the building and those sheltering at home. Please let us know what is happening with everyone and let us know how we can help. Blessings.

Beginning Next Sunday...
