# church family update...

**Today Scott Rouse begins teaching the adult class on the Book of Ruth...** In an effort to involve more people, the class will be *live streamed* and questions will be

furnished each week prior to class so everyone might study and be prepared to get the most possible out of the class.

**Bob Brown drove his packed pick-up full of food, towels, and blankets for Newby Ginnings over to their warehouse this past Monday...** The volunteers there were ecstatic over the

generosity of our congregation. A big thank you to all who helped. You have made the holiday even more special for some vets.

**Please let us know if anyone has any need...** We are here to help, but also trying to be extra careful during the pandemic. It is extremely important to stay connected during this difficult time and it requires both the effort of those coming to the building and those sheltering at home.

**Don't forget our coat drive...** We are looking for any new or gently worn coat (any size). Drop them off soon. Thanks.

**The Youth Barn got a new floor this past week...** Thanks to some funds provided by the CCS Board they allowed us to take care of what has been an eye-sore for sometime. The old frequently stained carpet was taken up and replaced by a new, fairly indestructible vinyl plank floor. Next up is repainting the room. But, it is a big improvement! God is good.
