A Common Love

family news...

Today we will take up our annual **Mission/Outreach Offering...** May God be praise today as we sacrifice together to be generous.

The Max Lucado books are on a table in the lower lobby... Anyone, who desires one, may pick up the book, "**On Calvary's Hill.**" There is no charge, however, we ask you take only one copy per family.

Remember June 11th is our great Bible Camp building project... **Scott and Chris Rouse, Chris Harlan, Aaron Lewis, Christian Eggar,** and others have prepared the site. It's now ready for us to build upon it. You can go up to camp Friday evening and come back Sunday if you wish, but the main work will happen on **Saturday, June 11th.** If you think you might be able to participate, there is a sign up sheet on the coffee bar, or you can note it on your **Communication Card.**

Baby Bottle Boomerang continues... It's still not too late to pick up a baby bottle and fill it with change. These bottles are due back on **June 19th, Father's Day.**

Family Promise returns to our building Today... Sign up to provide a meal or to stay the night. See **Emily Moore** for more info. One of the guest's staying in our building has a need for some special baby formula. Please put a note on your check memo line "*formula*" If you can help with this need. Thank you.

There are some new questions in the lobby... The parents of the children who participate with **Children Helping Children** will want to grab a copy of the new questions. And please work with your child to learn the answers.

All deacons and ministry leaders... We are building our congregational budget for our 2022-23 budget year. If you haven't turned your budget in to **Mike Swaim,** please do so immediately.

Who can you bless today? ...Before you leave the building today can you find someone to bless and/or encourage? The most important thing that happens today may not take place on the stage, but in a private moment where you focus on someone who is hurting and remind them of our love.
