

The most difficult burden I carry with me is:  
\_\_\_\_\_

## **Tough Faith:**

### *Messages from Habakkuk*

*Message One:*

### **“A Tough Faith is a WHY-FAITH”**

October 10, 2021

#### **Generally Principles:**

All scripture must be understood through the lens of -

\_\_\_\_\_.

Habakkuk is about a prophet's tussle with God for \_\_\_\_\_  
\_\_\_\_\_ to his prayers about something clearly evil that  
burdened him.

Evil is only worth complaining about if \_\_\_\_\_

\_\_\_\_\_.

Hard places in life often expose \_\_\_\_\_ in our faith.

#### **WHY- FAITH:**

1. WHY-Faith is faith that can be \_\_\_\_\_.
2. It's better to have a faith that runs toward \_\_\_\_\_ than an  
\_\_\_\_\_ that runs away.
3. There should always be some \_\_\_\_\_ in faith; otherwise  
it would NOT be \_\_\_\_\_.
